bus from ... can be had. The pay of each Superintendent has been fixed at 150 – 25 – 300. Owing to financial exigencies it has not been possible to develop the department fully on the lines laid down in 1907 when the department was organized. It has nevertheless sufficiently extensive at present and has been doing very useful work. There are altogether 2 Veterinary Hospitals and 6 dispensaries and 8 permanent Veterinary Asts and 2 temporary Asts are now employed. The department is under the immediate control of the Civil Surgeon but the responsibility for work and management rests with the Inspecting Cattle Disease. It seems to be desirable to make his endowments and status commensurate with the importance of his appointment. He has to correspond with the Inspector General of the Civil Veterinary Dept in matters connected with inoculation &c. The request of the Honorary Secretary

101	The question to be decided is whether the applicant's work has been such as to entitle him to a special increment of Rs 25 in addition to the ordinary increment of Rs 15 which he has received. The applicant has been in the service for 10 years and has been promoted to the grade of Rs 100-15-250. He has been given two increments in advance on 1-7-1909. But for that special treatment he would have reached the maximum of his grade in July 1911. It is for the Government to decide whether the work done by the applicant has been so extraordinary as to require a further increase of pay so soon. In any case the annual increment of Rs 25 appears too high. The increment should be biennial.
	Subd may be sent to Commissioners for circulation.

Submitted to His Highness.

Mr. N. Narasimha Iyengar, Inspector of Cattle Diseases, has submitted a representation to the Revenue Commissioner praying that he may be promoted to the rank of Veterinary Superintendent according to the scale fixed in Government Order No. 1727-37/Agri.38-05-22 dated 4th September 1907. The late Revenue Commissioner supports the representation.

Pay Rs.150-25-300

Paper under His Highness

2. Mr. Narasimha Iyengar was appointed Inspector of Cattle Diseases by Government Order No.Fl. 6212-7/Agri.38-05-3 dated 22nd March 1906 on a salary of Rs.125-25-200. He was subsequently given two increments in advance by Government Order No.R.738-9 dated 1st August 1907. He attained the maximum of Rs.200 on 1st July 1909.

N

D

3. The Financial Secretary notes that it is for Government to decide whether the work done by the Inspector has been so extraordinarily meritorious as to require a further increase of pay so soon. He adds that in any case the annual increment of

Page 6 of Notes

/8

Rs.25 seems too high and that it should be biennial.

Page 7 of Note.

4. The matter having been considered by the Council, it is of opinion that Mr. Narasimha Iyengar may be promoted to the grade of Rs.150-25-300 as Superintendent in the Veterinary Department and that it will be a part of his regular duties to give instructions on veterinary subjects in the proposed School of Agriculture.

Page 8 of Note.

5. The file was again referred to the Financial Secretary under para 8 of Government Order No.Fl.8328-33 dated 6th May 1907 and he adheres to the opinion expressed that the increments should be biennial.

6. There is no denying the fact that Mr. Narasimha Iyengar has done good work in various parts of the State and in this respect he compares himself with other Veterinary officers such as Mr. Davidson and Mr. R.W. Simpson.

Since the increment is to be biennial instead of annual, it may perhaps be considered whether Mr Iyengar may not be permitted to count the two years during which he has already been getting 200 Rs per mensem for purpose of promotion in the grade. If this is done he will be entitled to get 225 Rs from 1st July 11 or at any rate one year may be allowed to be counted, in which case he will get 225 Rs from 1st July 12.

His Highness the Maharaja of Mysore,
General & Revenue Departments.

SIR,

With reference to correspondence ending with Govern-ment Order No.R.4893-4/Agri.198-08-5 dated the 18th January 1910, I have the honor to submit herewith, for the favourable consideration of Government, letter No.628, dated the 8th June 1911, from the Inspector of Cattle Diseases in Mysore, praying that he may be promoted to the rank of Veterinary Superintendent, and to state as follows:-

I have more than once brought to the notice of Govern-ment the good work Mr.N. Narasimha Iyengar is doing in this newly organised department and the need for improving his status in order to increase ~~his~~ his usefulness. It is hardly necessary for me to say anything more in support of his claims for pro-motion and I hope it may be found possible before long to raise his status and increase his emoluments.

I have the honor to be,

Sir,

Your most obedient servant,

/ T. Rangaswami

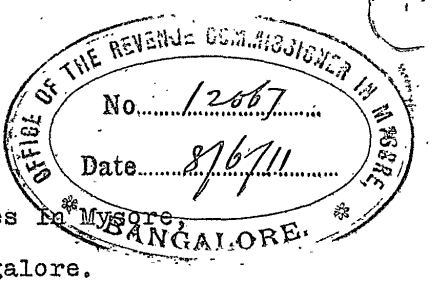
No 628

Office of the Inspector of Cattle Deseases

Bangalore, Dated 8th June, 1911.



From,

N. Narasimhaiyengar,

Inspector of Cattle Deseases in Mysore,

Bangalore.

To,

Rajakaryapravina, A. Rangaswami Aiyangar, Esq.,

B. A., B.L., R.B.,

Revenue Commissioner In Mysore.,

Bangalore,

Sir,

It is always unpleasant to urge ones own claims for promotion. But considering the fact how my two previous applications have been disposed of by Government, I am yet hopeful of Government taking a very favourable view of my case and this is my excuse in again submitting this appli-cation for favour of transmission to Government with your kind support.

My present salary as you are fully aware is meagre consi-dering the long period I have served and also the fact that other officers in the Veterinary Department of Mysore who having qualifications same as mine draw a considerably high pay. Messrs. Simpson and Davidson with 11 and 14 years service receive salaries of Rs.375 and 250 respec-tively. That I have done my work conscientiously and and efficiently during the 18 years of my service I have the satisfaction of knowing by the approbation of one un-der whose piloting, the Department has been organised and conducted, and also, in a way, by that of the Government.

As regards the attainments and qualifications entit-ling me to promotion I think it unnecessary to say much to one under whose supervision I have worked for 5 years. But still, the amount of responsible work that had to be done in a department, the sphere of which is enlarging with the

growing meeognition by the agricultural population of the importance of Scientific methods in veterinary work may bear some testimony to them.

May I point out that under your scheme for the organisation of the Veterinary Department as sanctioned by the Government two Superintendents on Rs.150-25-300 can be appointed, though it was thought to be necessary to bring the scheme into operation at once. I beg you will consider whether the time has not arrived for the appointment of Superintendent when the devolopement of work and the increasing responsibilty seems to justify the appointment of a superintendent and whether in view of the facts stated I am asking too much in praying for that appointment. The grade has not only been approved of by Government, but is actually less higher paid than the corresponding appointment of a Deputy Superintendent in Madras which carries a salry of Rs.200- 25- 400 and whose duties are in no way more onerous than mine.

Besides the change of designation will ipso facto improve my position in correspondence with District Executive officers of similar standing to myself in the sister provices and give that prestige necessary for the efficient management of my department.

When I moved the question of my promotion in March 1909, I was asked to renew my application on attaining the maximum pay in my grade. On renewing my application accordingly in September 1909 the Government unfortunately for me left the matter to "lie over for the present". I beg you will be pleased to reccommend my case again to Government for favourable consideration.

I have the honour to be

Sir,

Your most obedient servant,

Veerasimbaiyangar
